

## PEFC Commitment Policy

Accrol Group Holdings PLC is committed to the responsible sourcing and utilisation of forest-based products. We recognise the importance of sustainable forestry practices and their impact on the environment.

This statement affirms our commitment to establishing and maintaining a robust chain of custody (CoC) system that adheres to the requirements of the PEFC ST 2002:2020 standard. By implementing this system, we aim to:

- Track the flow of PEFC-certified forest products throughout our entire supply chain, from procurement to final sale.
- Prioritise the sourcing of PEFC-certified materials whenever possible.
- Ensure the continued effectiveness of our CoC system through ongoing improvement and regular internal audits.

This commitment applies to all personnel across Accrol Group Holdings PLC. We are dedicated to:

- Providing comprehensive training on the PEFC CoC requirements and procedures.
- Maintaining accurate and complete records to demonstrate the CoC for all PEFC-certified materials.
- Upholding responsible use of the PEFC logo in accordance with PEFC Trademark Rules.

We believe that a strong CoC system is essential for a sustainable future. Through this policy, Accrol Group Holdings PLC demonstrates its leadership in responsible forestry practices and ethical business conduct.
